DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on June 16, 2005 to the examiner's restriction requirement is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): specifically, the examiner had made a restriction between three groups and had also made a species restriction within Group I. Applicant has elected Group I but has not indicated which species within Group I has been elected. The election is therefore incomplete and not in compliance with MPEP 818 and 818.03(b). See also 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
